

COLUMN & ROW ADDING

Have each row add up to the number to the right of the row and have each column add up to the number below the column. Within a row or column, you cannot use the same number twice. Numbers can be repeated, but they cannot be within the same row or column.

Here are the numbers you must use on this box:

1, 1, 2, 2, 3, 4, 6, 7, 8, 8, 9, 9.
